Participants

These ISU Seminars are primarily for the Referees and Judges of the Host ISU Member. However, Referees and Judges from other ISU Members (not more than 2 per ISU Member) can also attend subject to the availability of places.

ISU Members wishing to nominate Referees and Judges to participate in these ISU Seminars, or the ISU Referees/Judges themselves, may make an application to the ISU Secretariat, with copies to the Host ISU Member and the Chair of the Single & Pair Skating Technical Committee, not later than six weeks prior to the scheduled date of the Seminar. The Host ISU Member must also send the names of those of its own Referees and Judges who will attend the Seminar for final approval to the ISU Secretariat with a copy to the Chair of the Single & Pair Skating Technical Committee.

Please note that at all 2018, 2019, 2020 and 2021 ISU Figure Skating Championships (ISU European Figure Skating Championships, ISU Four Continents Figure Skating Championship, ISU World Junior Figure Skating Championships, ISU World Figure Skating Championships) and 2018 Olympic Winter Games, the Initial Judges Meetings for Single & Pair Skating were/will be conducted by a member of the Single & Pair Skating Technical Committee. Therefore, each of those Initial Judges Meetings and the respective Round Table Discussion formed/will form together an ISU Seminar for re-appointment of ISU Judges, as per Rule 417, paragraph 5.

ISU Members are reminded that the above-mentioned Initial Judges Meeting and Round Table Discussions no longer count as ISU Seminars for re-appointment of ISU or International Referees (but Judges only). Therefore, such ISU or International Referees may still need to attend an ISU Seminar in order to fulfil the requirements for re-appointment of ISU or International Referees. However, Rule 417, paragraph 5, states that:

“To consider the activity as Referee of an ISU Championships or the Olympic Winter Games, as an ISU Seminar for re-appointment, the following is required:

- the Initial Judges Meeting conducted by the Referee together with the Chair or a member of the respective Technical Committee;
- the Round Table Discussion must be conducted by the Referee;- the activity as a Referee for these Championships or the Olympic Winter Games is considered acceptable by the respective Technical Committee.”

In order to fulfill the requirements of having completed an ISU Seminar for re-appointment, Judges and Referees may also complete the related ISU webinar/e-learning exercise published on the ISU eLearning platform (details for Judges can be found in ISU Communication 2357 and Communication 2255 for Referees).
